

# LAYETTE HOLIDAY TRADITION

## GIVING TREE

The Fellowship Hall is waiting for needed items to be put underneath it or hung from its branches.

Choose a printed slip pinned on a branch to provide essential basics to clothe a baby during its first year:

- **onesies,**
- **sleep ‘n’ plays,**
- **nighties,**
- **sleep sacks (0-9 months)**
- **receiving blankets**

Smaller items, including teething rings, small stuffed animals, books, rattles, burp cloths, bibs, socks or booties (6-month size), are also needed. And, of course, financial contributions help us buy any needed items in short supply.

## During the Christmas Eve Service

it is customary for the children (and anyone else) to bring a small white-tissue-wrapped WHITE GIFT to place in the manger in honor of Baby Jesus. See above suggestions or obtain a complete list of layette items in the Church Office.

## “Thank You”

A big for supporting this long-standing Hillcrest project. Every year around 200 layettes are distributed to the neediest babies in our County through County social workers and public health nurses.
